

November is associated with Harvest and Thanksgiving. Our prayer for this month will focus on giving thanks and be in poem form. It will also let the kids come up with some actions. Have the kids come up with an action for the underlined words in the prayer. It may be helpful to write the prayer out for them. When you have practiced the actions a couple of times it will be time to pray. If you have someone in your congregation or neighborhood who knows American Sign Language it would be great if they could help the kids learn some signs for the prayer.

### **Sven's Prayer for November 2009**

LEADER: The Lord be with you.

**ALL: And also with you.**

LEADER: Let us pray.

God of the Harvest and the season of fall,  
You bring us hope and blessings for all.  
From the young to the old, the meek and the bold,  
We strive to live as we've been told.

Help us to share with those in need,  
Share your story through word and deed.  
The world is our home, a special place.  
We are thankful for your abundant grace.

Amen.
