

Sven – Prayer for March 2010

We are in the church season of Lent during the month of March this year. Lent is a time of reflection and preparing ourselves for Easter and the resurrection of Jesus. All of creation waits with longing for the grace and new life that Jesus brings.

Let us pray:

God of hope, help us to be patient as we wait for the resurrection of Jesus. Like the grass and plants that wait under the snow and cold, we look for the warmth and light of Jesus' grace and love. Thank you Lord for our church family that nurtures and takes care of us. Bless us as we continue our journey of faith each day. Amen.
